Mr. Peter Little
Executive Director
Parking Authority of Baltimore City
200 W. Lombard Street, Suite B
Baltimore, MD 21201

Mr. Little:

After extensive research, the Federal Hill Neighborhood Association's (FHNA) Parking Committee has determined that the introduction of dedicated ZipCar spaces is consistent with our goal of: "decreasing the number of RPP decals and visitor's permits while increasing the inventory of on-street parking spaces available to Area 9 subscribers". Specifically, this letter, per our discussions with Ms. Tiffany James of your staff, officially requests the introduction of 3 ZipCar dedicated spaces at the following location:

- on the 100 block of E. Cross Street, on the north side, adjacent to the Digital Harbor Tech Center, directly east of the intersection with Light Street – for three dedicated ZipCar spaces (referenced in the attached map).

Thank you for the PABC's assistance in this manner. Please confirm receipt of this letter and kindly inform me of when you expect to implement this request. Feel free to contact me at costello.eric@gmail.com or 607-743-8926 should you have questions or need additional information.

Sincerely,

Eric Costello, President
Federal Hill Neighborhood Association
