

FHNA Public Safety Update

If you are interested in getting engaged with our public safety efforts or if you have questions/concerns you would like to share please email our team at fhna.publicsafety@gmail.com.

The FHNA public safety team is a group of dedicated volunteers who work together to increase public safety on the peninsula. This team encourages people to serve based on their strengths and/or their passion. This document is an overview of what we are currently doing. Please look over it and consider if you are ready to volunteer. Email fhna.publicsafety@gmail.com for more info.

Our team recently shared these graphics on social media in an attempt to help educate neighbors on what should be included in a post following a criminal incident. Please share them with others!

Sheriff Cogen has created an opportunity for residents to submit concerns about traffic and/or parking incidents. Please consider sharing your concerns via this form.

Please register your security cameras with our neighborhood network. This enables us to respond effectively following a crime. You will receive an email if you are located near the crime and you will be asked to submit footage directly to BPD.

Neighbors centered around the Montgomery St and William St have drafted this letter and are requesting your signatures in support of the effort to increase public safety.
